About UGM

Unbound Grace is a crowd-funded 501c3 non-profit ministry focused on addiction recovery. Our organization specializes in comprehensive support for individuals and families affected by substance abuse and alcohol addiction. Through our counseling, mentorship programs, and support groups, we aim to facilitate grace, healing, and restoration for our clients as they embark on the journey of recovering from the devastating impacts of addiction.

At Unbound Grace, we firmly believe that true healing occurs within a safe and supportive community and that freedom from addiction is a reachable goal for everyone. Your investment in Unbound Grace will enhance and expand our capacity to care for those who find themselves lost in the wilderness of addiction, guiding them toward freedom.

By sponsoring our Annual Banquet, you make Unbound Grace possible. This event serves as a cornerstone for our fundraising efforts and enables us to continue providing essential services to the community. Your financial support will empower us to offer counseling, mentorship, and support to even more individuals and families in need.

Together, we can bring hope, healing, and transformation to those in desperate need.
